# A MESSAGE FROM OUR PRESIDENT

*Merry Christmas and Happy Holidays to each of my fellow Ciociari,*

The Ciociaro Club is preparing to have one of its best years yet and we owe it all to our members, customers, staff and volunteers. We have all been working hard this past year to ensure the Ciociaro Club continues to be the leader in its service offerings and that our club is operating at its best.

We are pleased to have the online catering up and running, the members bar hot table in full operation and our extended service hours fully implemented. We are currently working on the following operations and facility initiatives over the next few months:

- We are widening our front entrance to prepare for a left- hand turning lane.
- We are improving our internet and wireless speeds.
- We have invested in new and improved Christmas décor.
- We are reviewing bids for improved HVAC and control systems.

- We are preparing bids and reviewing project scopes for a new entrance area for our members bar area and exterior entrances.
- We will be preparing for an improved dishwashing and cleaning area in our kitchen.

We are also working on the following membership initiatives:

- We are developing a funds distribution strategy looking to re-invest earnings into our groups and committees.
- We are looking to offer childcare programs for members and guests during Ciociaro functions so that guests can attend our events while their children are being cared for on site.
- We are reviewing electronic voting and online voting initiatives.

Thank you to everyone who has made these initiatives possible, without all our members and committees working together these would not be possible. I, again, would like to encourage each of you to take part in our club and get involved where you can.

Finally, I would like to wish all our members, my colleagues on the board, volunteers, staff and management a very Merry Christmas and a Happy New year. I hope to see you throughout the holidays.

*Saluti,* **Mark Rossi, President**

## AN ITALIAN CHRISTMAS

Buon Natale, family and friends  
Come to our table where food never ends  
Nonna's been cooking for over a week  
The presents are hidden, so nobody peeks  
We don't have to plan the menu's the same  
There's seven fish with various names  
Yes, on Christmas Eve the house smells of fish  
Cause no true Italian would serve a meat dish  
We have macaroni swimming in garlic and oil  
Don't wear good clothes, they'll only get soiled  
On Christmas Day Nonna's up before dawn  
There's meatballs in sauce and braciolo to put on  
The wedding soup's boiling the pot is so big  
On the table a plate with a circle of figs

There's veal and chicken with Italian spice  
And a pie that's made of custard and rice  
The meal is important, of this there's no doubt  
But there's one thing that Christmas can't be  
without  
The Uncles, Aunts, Cousins and friends  
Where kissing and hugging just never ends  
Cause Italian families love a whole lot  
And we welcome all whether Italian or not  
Yes, when you're born Italian you know from  
the start  
Everything you do comes straight from the  
heart!

**BUON NATALE!!!**

## MEMORIAL SERVICE for our Deceased Members

On November 5, 2019 in the Madonna di Canneto Chapel, we honoured our deceased members in a memorial ceremony. Rocco Maiuri presided over the memorial service as twenty-two of our members who passed away this year were remembered and honoured by their loved ones, friends and the Ciociaro Club Family. During the ceremony, the family or representative of each deceased member carried a rose to the front of the chapel and placed it in a vase adjacent to a candle as a sign of remembrance. A vase of flowers and a wreath were placed at the front of the chapel to remember all of our deceased members. The Voci Ciociari performed an ensemble of songs throughout the ceremony to honour them. Our thoughts and prayers are with all the families who have suffered the loss of a loved one. When we lose a member of our Ciociaro family we must cherish the memories of their hard work, contribution and good times that led to the success of the Ciociaro Club. It was an honour for me to be a part of the ceremony and I want to thank all of those who attended as well as all my committee members and the volunteers who helped make this possible.

Membership Chairman

# NOSTALGIE CIOCIARE FESTIVAL 2019

The skies of September 22nd were sunny and beautiful and it was a day filled with singing, dancing and enjoyment. Members and their families came to celebrate many Ciociari traditions: such as grape stomping, corn husking and bocce playing. All the while traditional folksongs were being sung by members in their “campagnoli” costumes. There was tasting of homemade wines and displaying of the largest produce of home gardeners.

With laughter in the air, there was fun for everyone. Children were jumping in the bouncy castle, stomping grapes in large wooden barrels, competing for the top prize in the pasta eating contest and competing in Tug-of-War. Proud parents and nonni were having fun taking pictures of these precious moments.

The traditions continued as some of our Voci Ciociare ladies dressed as “campagnole”, carried on their heads, baskets filled with corn husks, as they came to join the crowd singing some “stornelli”. With all this excitement, everyone wanted to try the specialty foods being cooked to perfection at different stations: delicious trippa, smooth polenta topped with “sugo con salsiccia”, fried crispelle and homemade lupini.

The day ended with the winners of the best Red and White Wine contest each receiving complimentary Friday Night Meal vouchers. The winners of the biggest vegetables took home trophies and the winners of the correct guess of the height of the prosciutto and cheese also received trophies.

A special thank you goes out to my committee and all the volunteers who made this day successful in bringing memories alive for everyone!!

Le Campagnole Ciociare

Trivigliano, uno dei piu' panoramici dei paesi della Ciociaria e con popolazione di 1665 abitanti; altitudine, 817m. s.l.m.; a 30 Km. nord-ovest di Frosinone, e' compresa nel territorio degli Ernici, circondata da boschi di castagno e cerro. Alle pendici del paese vi sono coltivazioni di vite e olivo. L'agricoltura è molto frazionata. Il suo nome forse deriva da quello di una famiglia romana proprietaria di un fondo o forse dal latino "tres vigilantes" in riferimento alle tre torri della cinta muraria, presenti anche nello stemma comunale.

La prima citazione storica di Trivigliano risale al X secolo. Inizialmente la presenza di un recinto fortificato contribuì successivamente a formare il Castrum, di cui restano solo poche tracce e una delle porte di accesso, quella detta "dello spreco". Al circuito murario appartiene un torrione circolare, unico rimasto di altre torri di avvistamento e difesa anticamente esistenti. Trivigliano appartenne allo Stato della Chiesa e dopo il dominio dei Caetani al tempo di Bonifacio VIII, passò a quello di Alatri e poi dei Colonna.

Nel territorio di Trivigliano si trova il Lago di Canterno, di origine carsica. La sua formazione fu dovuta al graduale otturazione di due dei tre inghiottitoi, in cui si incanala l'acqua delle grandi piogge. Di fronte al Santuario della Stella, su un lato del Monte Corniano, si trova la "Grotta di Corniano", dove nelle parti più interne si sono formate concrezioni stalammitiche. Fin dall'antichità il paese è devoto a S. Oliva, nella cui omonima chiesa è custodito un antico simulacro della Santa Patrona.

Trivigliano, one the most panoramic town in Ciociaria; population, 1665; altitude, 817m. a.s.l.; at 30 km. N-W of Frosinone, is part of the Ernici territory, surrounded by bushes of chestnut and oak trees. On the slopes of the countryside, grapes and olives are cultivated. Agriculture is very fragmented. Its name probably derives from that of a Roman family owner of a fund or possibly from the Latin "tres vigilantes" in reference to the three towers of the town walls, also present in the

municipal coat of arms.

The first historical mention of Trivigliano dates back to the tenth century. Initially, the presence of a fortified enclosure contributed subsequently to the formation of the Castrum, of which exist only a few traces, some being the access doors, named "of the waste". An existing circular tower is part of the city walls, the only remains of other watch towers and ancient defenses. Trivigliano belonged to the Church State and after the rule of the Caetani, during the times of Boniface VIII, was first transferred to the dominion of Alatri and then to the Colonna.

In the territory of Trivigliano lies Lake Canterno, of karst origin. Its formation was due to the gradual blocking up of two of the three sinkholes, where waters of heavy rains flow into. In front of the Sanctuary of the Star, on one side of Mount Corniano, the "Cave of Corniano" is found, where in the inner parts concrections of stalagmites have been formed. Since ancient times, the town is devoted to S. Oliva, in whose namesake church is safeguarded an ancient statue of the patron saint.

## ENTERTAINMENT COMMITTEE

On Sunday, September 29 the two buses (93 people) of wine lovers departed the Ciociaro Club for the third and last wine tour of 2019. For this edition we stopped at Mastronardi Estate Winery, Coopers Hawk Winery, and Viewpointe Estate Winery. Our groups learned about the history of wine making in Essex County and sampled a variety of wines. Although the weather was against us, our groups returned to the Club for a delicious dinner and wine raffle.

On October 3, the Entertainment Committee in partnership with Tish Harcus, International Brand Ambassador for Canadian Club hosted a "Barrels and Bites" whisky sampling event. The event featured five samples of variously aged whiskies paired with five courses prepared by our culinary team, a history of whisky in our region, and whisky raffle. Guests were given the rare opportunity to sample a 41 year old aged Canadian Club whisky.

Coming up: February 22, 2020 we will be hosting a "**Murder Mystery Night**" featuring the Zamboni Family. This event is in partnership with Michelle Mainwaring and her cast of local actors. More information will be released in an upcoming flyer and email blast.

## VOLUNTEER APPRECIATION DINNER

On Thursday, October 17, 2019, approximately 170 volunteers were thanked for all their hard work and enthusiasm in their various committees and/or activities at the Ciociaro Club. President Mark Rossi welcomed and thanked all those attending for their commitment to the Club. He saw many familiar faces in the crowd and he offered the challenge of trying to get more of the younger members involved, sons, daughters, nieces, nephews, children and grandchildren, remarking that we would eventually need them in the near future.

After grace was said, dinner was served! The beautiful buffet of trippa,

pasta, lamb, ribs, potatoes, green beans and salad was enjoyed by all. There was also musical entertainment by "Magia Due"! Before beginning to play, Gianluca Pizzuto thanked the president for the invitation and acknowledged all the volunteers as well. He said that he appreciated all the hard work they are doing in making the Club the great "Palace" that it is. As a young member, he said that he was proud to be a part of this Club! Then the music began and people danced.

It was a very enjoyable evening! The volunteers were very honoured to be validated for their selfless hard work!

On October 29, 2019 a cheque for **\$9000.00** was presented to the Ronald McDonald House Windsor, on behalf of **Fix Auto Windsor** and the **Ciociaro Club, including the Sportsmen Group**. Brothers **Domenic and Anthony Iannetta** of **Fix Auto Windsor** generously made a substantial donation with the Ciociaro Club adding to the total as well.

Almost of you are aware of the importance of the Ronald McDonald House (RMH). They provide a place for families to stay near their child while receiving care in hospital. There are three programs of RMH available—RMH London, RMH Windsor or the Ronald McDonald Family Room. In May 2016, the first House within a Hospital opened its doors in Windsor at Windsor Regional Hospital. Since it opened, it has provided comfort to over 410 families in its long term stay program, with the longest stay being 102 nights. The RMH Windsor Day Pass program has provided respite and a place to refresh and reenergize to over 2800 families.

The Ronald McDonald House Charities Southwestern Ontario depends on public donations and funding. Funding is not received from any agency or government body. They were very thankful to receive this generous donation from the Ciociaro community.

(1743-1811): Pittore, disegnatore, copista. Nato a Ferentino (FR) e morto a Napoli.

Desiderio de Angelis fu letterato e poeta molto illustre presso le corti veneziana, torinese e parigina. Il doge Mocenigo lo incoronò poeta e fu apprezzato e stimato anche da Emanuele Filiberto di Savoia, e del Duca di Borgogna. La passione per le lettere e la poesia gli fu trasmessa dal padre Carlo, il quale trasformò la sua casa in un circolo di letterati e poeti, fondando l' accademia “De Sorgenti” con il motto “Crescit eundo”. Desiderio scrisse prose e poesie sia in latino che in italiano.

Suoi sono “La Maddalena” in quattro libri, i “Panegirici”, il “De partu Virginis”, “Epitaphia”, e tanti altri scritti. Governò Boville per diciotto anni e fece ricostruire l'elegante palazzo della sua famiglia che possiamo ammirare ancora oggi in Corso Umberto I, di fronte al palazzo Simoncelli. Il suo monumento funebre è nella chiesa di S. Michele Arcangelo, in Boville Ernica, insieme a quello di sua sorella Ortensia

## CHEF'S CORNER:

### Veal Scallopine with Artichokes

#### INGREDIENTS for 4-6 people

- 1/2 kg veal fillets
- 10 small artichokes
- white wine to taste
- a clove of garlic
- flour to taste
- fresh parsley to taste
- 50 grams of butter
- olive oil, salt and pepper to taste
- a lemon

#### METHOD:

Clean and wash artichokes by eliminating the inedible parts. Cut them into thin wedges and place them in a bowl with water and the juice of a lemon to prevent them from turning black.

Put the chopped garlic and parsley in a pan with 3-4 tablespoons of olive oil. Drain the artichokes, rinse them again and place them in the pan sauteeing them, around 10 minutes. If needed add 1/2 a glass of water. Salt and pepper to taste.

Flour the meat slices eliminating any excess flour. In another pan, melt the butter over low heat, being careful not to brown it. Brown the slices of meat in the butter. Add a couple of tablespoons of white wine and let it evaporate. Again, season according to your taste. Add the artichokes and continue to cook until the meat is cooked.

Enjoy! *Annalisa*
