A MESSAGE FROM OUR PRESIDENT

My Fellow Ciociari,

The summer has come and gone, and with it, a number of Ciociaro events. We have enjoyed barbecues, picnics, sporting events, summer movie nights, wine tours, summer camps and of course our Madonna di Canneto Festival!! Each committee has done an exceptional job in planning, organizing and launching their event, and on

behalf of the Board of Directors, I would like to thank all the committee members, volunteers, staff and members who gave their time and energy to make each of their events successful.

By now, most of you have seen the changes in our Members' Bar. We are pleased to say that the Club has launched a new Hot Table and Dinner Service from Monday to Saturday from 4pm to 10pm. The Members' Bar will offer a variety of different Sandwich and Bar Style options, as well as two daily Dinner options. And do not worry, there will be no changes to the Friday Night dinners! These changes have been met with enthusiasm from the staff, the Board and a number of guests that I have had the pleasure of speaking with myself. There have been some concerns over the Club's

identity and the changes to the Member's Bar area. I firmly stand behind the Board's decision to proceed with these updates. The Club has begun to take steps forward in securing business during our slower periods, which will, in time, allow us to retain more employees and make the Club even more accessible to our fellow members and their families.

In concert with the Members' Bar changes, we have launched the Ciociaro Club's new website with full online ordering and a soon-to-come members area. This will allow members and guests the chance to order the Club's great food through the internet 24 hours a day 7 days a week. Starting October 1st, we will be opening our service hours in the office from Monday through Thursday, 8am to 8pm, Friday 8am to 5pm and Saturday 9am to 5pm.

Over the next few months, I will be working towards new initiatives with the Club's groups, committees and festivals. I have received a number of suggestions for improvements from members, committee members and directors. I will be working with various directors to develop a system that will engage more members and invigorate our existing groups. We will also be working to develop a method to balance the Club's commitment and ensure that fairness and equality are had by all groups.

I look forward to our continued success and hope that each member has a chance to come by and taste our new selections in the Bar.

Thank you,

Mark Rossi, President

BEAUTIFUL GROUNDS, GARDENS AND PLANTERS

Wow! If you have noticed how wonderful the outside of the Club looks, it is because of our dedicated Director Joe Capaldi and his group of volunteer gardeners who have been busy digging, planting and potting. Most of our plants

are purchased from Capogna Flowers Inc. while some have been generously donated by them. The Club wishes to thank the Capogna family once again, for this wonderful gesture.

MADONNA DI CANNETO FESTIVAL - AUG. 18

It was a hot, sultry day as the procession began at the chapel. White doves were released and flew directly in the direction of the statue of the Madonna as if to salute her before flying off into the bluest sky!! Banners and flags waved proudly as the Portuguese Band played and the Voci Ciociare sang. In procession we were honoured to have the Polizia Stradale from Toronto marching alongside the Madonna being reverently carried by six devoted men dressed in red and white. The most Reverend Bishop Fabbro graced us with his presence. He was accompanied by Father Barbiero, Father Restivo along with president Mark Rossi. Upon entering the main hall, more than a thousand pilgrims were waiting in anticipation. The mass began with the St. Angela Choir singing the Entrance hymn. Concelebrating the mass were Father Adriano Barbiero, Father Maurice Restivo, Father Arcangelo Manzi and Deacon Paul Bezaire.

Laura Nicola and fiancé Eric Sementilli, read the first reading in Italian and the second reading in English, respectively. The prayers of the faithful were read in English and Italian by Italian students Giulia Vilardi, Eva Sansotta and Kate Cincurak.

Six beautiful children carried the offertory gifts up the long aisle. The Bishop was delighted as he received each gift and spoke to each child!! Thank you to Sofia and Domenic Nicodemo, Alessia and Felicia Lattuca and Zachary and Alysia Chiodo!!!

After mass, the Statue and the crowd made their way around the track singing and praying. Mary kept the weather at bay just in time to be placed back in the chapel.

It was a fun-filled day with men playing bocce, kids playing soccer and children enjoying

air-filled slide and jumping castle. While some played old Italian card games, others were embracing old friends that travelled from Boston, Chicago and Toronto.

There was a variety of food and entertainment for all ages under the pavilion and around the grounds. Souvenirs of all kinds, ciambelle, lupini and other delights were being sold. The Folklore Group from the Ciociaro Club danced and the Portuguese Band from Leamington played a great selection of songs. The group Magia played from 3:00 to 7:00 with wonderful music that had people dancing!!

Unfortunately, the weather did not cooperate this year, so the outdoor mass was held indoors and the only fireworks that were seen or heard were the thunder and lightning outside!!! Salon A was used for the evening mass. Father Eugene Roy, Father Adriano Barbiero and Father Christian Amogu celebrated together. The Voci Ciociare sang with Paul Liva on keyboard. Maria Di Gioia and Teresa Di Domenico did the readings, the psalm and the prayers of the faithful.

In Salons B&C, Aaron Caruso was performing with some great selections and kept the crowd entertained for the rest of the evening.

A very big thank you to Domenic Viselli, (who could be seen running here and there and everywhere) and his Committee for organizing this Festa once again!

Thank you to all who continue to faithfully support this event!!

EVVIVA MARIA!!

SANT'ARDUINO FESTIVAL - JULY 28

The first annual Sant'Arduino Festa began with a 10:00 a.m. mass at St. Charbel church on Highway #3. Father Tony, of St. Charbel celebrated the mass with the assistance of Rocco Maiuri. Readings were done by Rocco, Teresa Di Domenico and Annalisa Rossi. We were delighted to have with us Mr. Dino Valle who sang the Ave Maria and Panis Angelicus. The Voci Ciociare processed in singing a hymn to Sant'Arduino. They also sang the parts of the mass. The offertory gifts were brought up by Mr. Arduino Di Palma, President Mark Rossi, Mr. Joseph Fortuna Jr. and Bruno De Lellis.

After the mass, president Mark Rossi thanked all who attended the mass and Father Tony for celebrating mass for us and allowing us to use his beautiful church once again! The statue of Sant'Arduino was escorted back to the Club where a procession with song began to bring the statue back into the Chapel. Fireworks were heard from the field by the chapel as "Viva Sant'Arduino!!" was shouted. The Voci Ciociare sang the hymn to Sant'Arduino in the chapel and people stayed a while and prayed.

Under the pavilion, there was porchetta, pasta, chicken, trippa, hamburgers, hotdogs, sausages etc., to eat. There were bouncy castles and games for the children, with prizes, as well as cotton candy and popcorn. Guardaluna Cafe and Gelato was available, too. There were ciambelle for sale and lupini and homemade imbiaghelle and ciambelle. Ceprano T-shirts and other souvenirs were also being sold. All around the pavilion, for the Cepranese, there were signs naming several of the CONTRADE!!! We couldn't include them all, but hopefully they brought back fond memories for some!! There was also a picture board of some of Ceprano's most famous areas.

For entertainment there was the Ciociaro Folklore Dance Group headed by Cristina Timperio and the Voci Ciociare with some great songs. The grand spectacle was Mr. Dino Valle and the Bellini Opera Co. with Aaron Caruso and soprano Lisa Agazzi!! What a wonderful show!!

The evening ended with the delightful songs and dance music of Mr. Armando Bonfiglio and Gino Mancini.

This year's festa was put together very quickly, and we thank the committee for working as well as they did with such little time.

We hope those who came, enjoyed what they experienced and will come back next year, because we hope to make it bigger and better!!!

5th Annual Ciociaro Club Kids' Club Summer Camp 2019

Our 2019 Summer Camp ran for 2 weeks with 44 children participating ages 5-13. Campers took part in many Italian inspired games and activities throughout the week. They brought home newly learned Italian words to share with their families, and most importantly a great understanding and respect for Italian culture and their heritage.

We would like to thank our teachers Miss Ava Puzzuoli & Miss Lisa Morra for their hard work and dedication in facilitating the camp. We would also like to thank the many volunteers throughout the 2 weeks who helped make the camp extra fun.

We look forward to our camp growing more and more in the years to come! Keep an eye out for information for our 2020 summer camps in the Spring.

Paese storico della Ciociaria: CASTELNUOVO PARANO

Uno dei più piccoli paesi della Ciociaria, Castelnuovo Parano, fu fondato nel 1065 dall' Abate Desiderio (poi Papa Vittore III) per difendere Montecassino dalle incursioni di Traetto ed Ausonia. Esso sorge alle estreme propaggini meridionali della provincia di Frosinone, tanto che in passato segnò il confine tra i possedimenti dell'Abbazia di Montecassino ed il Ducato di Gaeta.

La sua storia, segnata dalle lotte del Papato con i Normanni e gli Svevi, vede anche un infruttuoso tentativo di rendersi autonoma dall'Abbazia (XII sec.). Passò poi nel 1421 tra i domini del Conte di Fondi, poi del Re di Napoli Ferrante D'Aragona, del principe di Stigliano ed infine venne inglobato nel Ducato di Traetto.

Deriva il suo nome da "Castel Nuovo delle Fratte" (Fratte è l'odierna Ausonia), unito a Parano, il luogo dove fu fatto costruire il Castello, e cioè sul Monte Perano. Il paese diviene assai vivace soprattutto nel periodo estivo. Lasciato Castelnuovo si scende verso il più antico e il più moderno dei suoi casali: S. Antonio Abate o Valli.

Casale più antico perché qui, immediatamente sotto il livello stradale, sorge la chiesa di S. Antonio Abate; e il più moderno perché questa frazione si sta sviluppando notevolmente con case, attività commerciali e industriali. Castelnuovo Parano fa parte con le limitrofe Ausonia e Coreno Ausonio del Distretto Industriale del Marmo. Castelnuovo Parano può essere base per escursioni sul Monte Calvo.

Abitanti: 875; Altitudine: 334 m. s.l.m.; Distanza da Frosinone: 70 Km. a S.E.
Piatti tipici: come nella maggioranza della Ciociaria.

One of the smallest towns in Ciociaria, Castelnuovo Parano was founded in 1065 by the Abbot Desiderius (later Pope Victor III) to defend Montecassino from the raids of Traetto and Ausonia. The town stands on the southern reaches of the province of Frosinone and once marked the boundary between the possessions of the Abbey of Montecassino and the Duchy of Gaeta.

Its history marked by the struggles of the papacy with the

Normans and the Swabians, also sees an unsuccessful attempt to become independent from the Abbey (XII Cent.). In 1421 it fell under the domains of the Count of Fondi, then the King of Naples Ferrante of Aragon, the Prince of Stigliano and finally was incorporated into the Duchy of Traetto.

It derives its name from "Castel Nuovo delle Fratte" (Fratte being modern day Ausonia), joined to Parano, the place where the castle was built, namely Mount Perano. The town becomes very lively especially during the summer. Leaving Castelnuovo the road goes down to the oldest and the most modern of its hamlets: S. Antonio Abate o Valli, respectively.

The oldest because, just below road level, stands the church of St. Anthony the Abbot; and the most modern because this fraction is developing profusely with new houses, commercial and industrial activities. Castelnuovo Parano with neighboring Ausonia and Coreno Ausonio is part of the Industrial District of Marmo (marble). Castelnuovo Parano can be a base for excursions on Mountain Calvo.

Population: 875; Elevation: 334 m. a.s.l.; Distance from Frosinone: 70 Km. (S.E.); Cuisine: as in the majority of Ciociaria.

They will receive their award in Lansing on Tuesday, Oct 8 and at the Columbus Day Banquet on Sunday Oct. 13 at the Italian American Cultural Center in Clinton Twp. Founders of the Coro Italiano, Luigi and his wife Angela were born in Portella S. Elia Fiume Rapido, (FR), he on April 26, 1927 and she on October 25, 1932. They married in 1953 and in December 1955 came to the United States with their two sons. They eventually had 2 more sons. Luigi began working in construction, as an inspector of automotive parts and at Chrysler. But due to a couple of serious accidents he was involved in, he became disabled.

Luigi had musical knowledge of the clarinet and Angela had a beautiful voice, so they formed the ISCA Coro Italiano (Gruppo Folcloristico) in 1985. Luigi is a member of the Reduci e Combattenti, the Italian Cultural Center of Milwaukee, the Lazio Club, the Sons of Italy and the Italian American Cultural Center.

Both Luigi and Angela are members of the Ciociaro Club of Windsor!! **Congratulations!!!**

WINE TOUR

On Sunday, July 7, 2019, 96 wine lovers boarded two buses for the second of three Wine Tours for 2019. Our two bus captains for the day were Entertainment Committee members Cristina

Conciatori and Massimo De Menech. The groups visited Sprucewood Shores Winery, Oxley Estate Winery, and North 42 Degrees Winery.

For lunch the group stopped at Colchester Harbour to enjoy stuffed foccacia panini prepared by the Ciociaro Club Kitchen Staff. Attendees learned about the wine making process, the history of wine making in Essex County and tasted award winning local wine. After an eventful day, our group returned to the Ciociaro Club Member's Bar for a delicious dinner and a Wine Raffle. The next Wine Tour will be held on Sunday, September 29, 2019."

ITALIAN HERITAGE LANGUAGE ALIVE AND WELL AT CIOCIARO

The following is a preface by Silvio Puzzuoli and his letter to the editor of "Panoramitalia" magazine in response to articles about teaching Italian to our young generation.

"The letter was written to Mr. ADAM ZARA, the editor of PANORAMITALIA, a magazine that has readership all over CANADA.

My letter was a response to two separate articles featured in their magazine regarding the problems encountered in teaching Italian to our young and what can be done to surmount the lack of funds, the low interest by the students, as well as community and lack of financial support.

Basically, the letter points out what we did in WINDSOR, with the help of the clubs, the University of Windsor, and a small group of dedicated people, to revamp Italian credit courses for high school students. This is the fifth year that the courses are being taught, one evening per week, at the Ciociaro Club."

Silvio Puzzuoli

Egregio Editore,

Ho letto con interesse ed emozione gli articoli "insegnare l'italiano ai nostri giovani " come " rimbocchiamoci le maniche". Con questo, vorrei spiegare la nostra situazione a Windsor e la Contea d'Essex.

Gia' nel 2013, le nostre scuole secondarie cattoliche e pubbliche non avevano piu' studenti che s'iscrivevano ai corsi d'italiano. I problemi erano duplici: studenti disinteressati alla lingua italiana e studenti che volevano frequentarla ma non avevano lo spazio nel loro orario giornaliero.

Che abbiamo fatto?

Tramite l'universita' di Windsor, e l'appoggio dei circoli/clubs italiani, abbiamo creato un corso (AQ additional qualifications Part 1) approvato dal ministro della pubblica istruzione ed insegnato via internet. Questo corso, poteva essere solamente frequentato da insegnanti gia' diplomati e che avevano vari corsi universitari d'italiano e la ovvia passione d'insegnare l'italiano.

Hanno seguito questo corso insegnanti da Ottawa, Toronto, Hamilton e Windsor. Così, ci siamo assicurati di avere insegnanti disponibili per la nostra situazione.

Dopo questo, abbiamo fatto delle presentazioni al consiglio scolastico (WECDsB) e hanno deciso che potevamo fare

pubblicita' ed avendo abbastanza studenti ,iniziare le classi dopo la giornata scolastica. Nel nostro caso, gli studenti grado 9,10 11, 12 vengono da varie scuole secondarie. Cominciamo nella meta' di ottobre e finiamo alla fine di maggio, una sera ogni settimana (6-9pm) offrendo novanta ore d'istruzione per ottenere il valore (credit) verso il diploma.

Per i nostri corsi, usiamo la sede del Ciociaro club di Windsor e dovrei dire che sono gia' quattro anni che offriamo questi corsi ed il numero di studenti aumenta annualmente- quest'anno abbiamo sessanta studenti grado:10, 11, 12.

Sperando che la crescita continui.....e saremo capaci di mantenere la lingua italiana VIVA!

Silvio Puzzuoli

RESPONSE FROM THE EDITOR

Grazie di cuore Silvio per la tua lettera. Davvero molto interessante! Ti prego di darci novità ogni tanto perche' non sentiamo parlare tanto della comunità di Windsor. Grazie ancora per il tuo impegno ed in bocca al lupo!
