AGOSTO / SETTEMBRE

A MESSAGE FROM OUR PRESIDENT/PRESIDENTE

My fellow members,

It has been some time since you last heard from us or have seen us within our second home, the Ciociaro Club. I would like to bring you up to speed on the current position of the Club.

Since we last communicated in February, our lives have forever been changed by the global pandemic, COVID-19. We, like many of you, were in a state of shock, had many fears, anxieties and stressors due to the situation that unfolded before us. We were unsure on how to react, how to manage a business that had effectively shut down, and how to support a membership torn from their groups, committees and social gatherings. Like many of you we have learned to adapt our personal lives, business and social interactions and to accept the social guidelines, emergency orders and by-laws changes that are now directing our daily activities.

I am very proud to say that the Ciociaro Club was and continues to be a leader in our field. We have modified how we conduct our daily operations while maintaining our level of service and food quality that is unmatched in the industry. A few of our changes are outlined below.

First, due to our foresight, the Club 6 months prior to the pandemic implemented an on-line catering system. Having the online system ready, made the curbside pickup an easy solution to implement. This curbside takeout, along with the government wage subsidy has allowed the Club to remain in a cash positive position throughout July. During those months we began preparations for our patio expansion in anticipation of the Phase 2 re-opening.

Second, when we could allow guests into the facility, we opened our members bar with a "grab-and-go" lunch. This offered our customers the option to come to the club, enter our bar, grab a sandwich, piece of pizza or one of our pre-packaged lunch specials and go and enjoy the club's lunches again.

Lastly, when Windsor/Essex moved into Phase 2 on June 25th, the Club's new Patio area was ready and opened within one week. We have begun offering our Friday night specials again and have already seen our Friday night

Cari Soci.

E' passato del tempo dall'ultima volta che ci avete sentito o ci avete visto nella nostra seconda casa, il Ciociaro Club. Vorrei aggiornarvi tutti sull'attuale posizione del Club.

Da quando abbiamo comunicato l'ultima volta a febbraio, le nostre vite sono state cambiate per sempre dalla pandemia globale COVID-19. Come molti di voi, siamo rimasti scioccati, abbiamo avuto molte paure, ansie e stress a causa della situazione che si e' verificata davanti a noi. Non eravamo sicuri su come reagire, su come gestire un' impresa che si era effettivamente chiusa e su come sostenere un'adesione

strappata dai loro gruppi, commissioni e riunioni sociali. Come molti di voi, abbiamo imparato ad adattare le nostre vite personali, le nostre interazioni commerciali e sociali e ad accettare linee guida, ordini di emergenza e modifiche statuarie che stanno guidando le nostre attivita' quotidiane.

Sono molto orgoglioso di dire che il Ciociaro Club era e continua ad essere un leader nel nostro settore. Abbiamo modificato il modo in cui conduciamo le nostre operazioni quotidiane mantenendo il nostro livello di servizio e la qualita' del cibo che non ha eguali nell'industria. Alcuni delle nostre modifiche sono riportate di seguito.

In primo luogo, grazie alla nostra preveggenza, il Club, sei mesi prima della pandemia, ha implementato un servizio di catering on-line. Avendo il sistema online pronto, ha reso il pickup sul marciapiede una soluzione facile da implementare. L'asporto sul marciapiede, insieme al sussidio ai salari dal governo, hanno permesso al Club di rimanere in una posizione positiva per tutto il mese di luglio. Durante questi mesi, abbiamo iniziato i preparativi per la nostra espansione del patio in attesa della riapertura della Fase 2.

In secondo luogo, quando abbiamo potuto consentire agli ospiti di entrare nella struttura, abbiamo aperto il Bar con un pranzo "Grab-and-Go". Cio' ha offerto ai nostri clienti la possibilita' di venire, entrare nel nostro bar, prendere un panino, un pezzo di pizza o uno dei piatti speciali preconfezionati a andare a godersi di nuovo i pranzi del Club.

Infine, quando Windsor/Essex e' entrato nella Fase 2 il 25 giugno, la nuova area Patio era pronta e aperta in una settimana. Abbiamo ricominciato a offrire i nostri speciali del venerdi sera e abbiamo gia' visto tornare tanti della nos-

crowd begin to come back.

We continue to look for ways to bring a little more normalcy back to our social environment. We are currently working with the Health Unit to find a suitable solution to open our pavilion. We are making every effort to open what we can so we can all begin celebrating our culture and heritage once again. We are eager to celebrate with all our sports, cultural groups and committees and hold events such as St. Onorio, Madonna Di Canneto and St. Arduino, and many others as soon. I can assure you that as soon as it is safe to do so we WILL open these events, while maintaining our social distancing measures.

Over the past month, I have been working with the Board of Directors and Management to begin preparations for when the Club can resume operations. We are reviewing all our capital projects that were approved for the 2020 year and re-prioritizing them to ensure they align with the needs of our changed operations strategy. We have begun examining, new menu ideas, expanded wedding and banquet services, members bar, patio and restaurant expansions. While we develop these plans, we maintain our eagerness to get our membership re-engaged with the club as we slowly come out from these social guidelines. We are pleased to offer all our members an increase of 5% to the members discount making the discount 15% overall. This will apply to the following:

1. All members bar food items only
2. All take out and catering items
3. All groups and committee accounts

*** the discount for BBQs, banquets and weddings will remain at 10% ** Proof of membership required, if you require a new membership card, please call the office.*

I am very proud to say that the club continues to be in a strong position, guided by exceptional management, a very strong and diverse board of directors, all our staff, and our engaged membership.

I look forward to celebrating with all of you very soon and hope to see you on the patio!

Please continue to stay safe, stay vigilant and stay healthy.

Yours respectfully,

Mark Rossi, President
Ciociaro Club of Windsor

tra folla del venerdi sera.

Continuiamo a cercare modi per riportare un po' piu' di normalita' nel nostro ambiente sociale. Attualmente, stiamo lavorando con L'Unita' Sanitaria per trovare una soluzione adatta per aprire il nostro padiglione. Stiamo facendo tutto il possibile per aprire cio' che possiamo cosi da poter ricominciare a celebrare la nostra cultura e il nostro patrimonio. Siamo ansiosi di festeggiare con tutti i nostri gruppi sportivi, culturali e comitati per organizzare eventi come S. Onorio, Maria S.S. Di Canneto e S. Arduino, e tanti altri eventi. Posso assicurarvi che non appena sara' sicuro, apriremo questi eventi, mantenendo le nostre misure di allontanamento sociale.

Nel corso dell'ultimo mese, ho lavorato con il Consiglio di amministrazione e la direzione per iniziare i preparativi quando il Club puo' riprendere le operazioni. Stiamo rivendendo tutti i nostri progetti di capitale approvati per l'anno 2020 e riordinandoli in ordine di priorita' per garantire che si allineano con le esigenze della nostra strategia operativa modificata. Abbiamo iniziato a esaminare nuove idee di menu, ampliare i servizi per matrimoni e banchetti, ampliare il bar, il patio e il ristorante. Mentre sviluppiamo questi piani, manteniamo il nostro entusiasmo per far si che i nostri soci si impegnano nuovamente con il Club man mano che usciamo lentamente da queste linee guida sociali. Siamo lieti di offrire a tutti i membri un aumento del 5% sullo sconto dei membri, rendendo lo sconto del 15% complessivo.

Cio' si applica a quanto segue:

1. Solo prodotti alimentari dal bar, per tutti i membri
2. Tutti articoli di "take out" e catering
3. Tutti acconti dei gruppi e comitati

***gli sconti per Barbecue, Banchetti e Matrimoni rimarranno al 10% ** È necessario avere prova di essere socio, se non avete la tessera d'iscrizione potrete richiederla chiamando l'ufficio.*

Sono molto orgoglioso di dire che il Club continua a essere in una posizione forte, guidato da una gestione eccezionale, un Consiglio di amministrazione molto forte e diversificato tutto il nostro personale e i nostri membri coinvolti.

Non vedo l'ora di festeggiare con voi molto piu presto e spero di vedervi nel Patio!

Vi prego, continuate a stare al sicuro, state vigili e mantenetevi in salute.

Cordialmente,

Mark Rossi, Presidente
Ciociaro Club di Windsor

Since the inception of the Pandemic I have been assisting the President, and Board of Directors as we assess the

impact to our Club and continue to work our way through this unique situation. Similarly, as a Leadership Team we are working diligently to position the Club for the best possible success in the post COVID environment. I am confident that through our joint efforts we will succeed.

In recent months I have also participated in support of several other initiatives from a cultural perspective to ensure that we maintain our programming in spite of social distancing requirements. These initiatives include: Ciociaro Soccer, Virtual Italian Heritage Month, and several other proposals that are currently under development by the Membership Committee.

It is my sincere hope that all of you remain safe and well. I look forward to the time when we can meet at the Club to celebrate our friendship, and our beloved Ciociaro Heritage.

FRANK MACERONI
Vice President

I would like to extend everyone my best wishes. Hoping you are all safe and healthy.

As an executive I have been working through virtual meetings with the leader-

ship of our President and the other three executives.

We can reassure the membership that we are making decisions for the best interest of our Club.

I look forward to being able to meet and see each other in the very near future.

Un saluto e abbraccio sperando di rivederci al più presto.

BUONA SALUTE A TUTTI

ANNA VITTI, Recording Secretary

Dear Members,

I hope you and your family are well and that you are enjoying the weather.

It is acknowledged that COVID 19 has played havoc with our lives.

With this pandemic some

members may have inadvertently missed payment of club membership dues. In accordance with the club's constitution, the 2020 membership dues were to be paid by the end of June of this year. If there has been an error or oversight and you know of anyone who has not paid but wishes to be reinstated as a member of the club, please have them call the office and I will do my best to accommodate them.

Sincerely,

ENIO DIDONATO, Treasurer

Carissimi Soci, I hope that you are keeping safe and healthy in this unprecedented pandemic.

It has been a while since we enjoyed our get togethers at the Bar, at a banquet, a barbecue or simply playing a game of cards.

The Board and the staff have been working diligently in this uncharted territory to maintain the Club's building and grounds safe and in good repair. As you can see in the photos, volunteers have planted flowers this spring to beautify our grounds.

The patio has been very successful during the day and evening, many people stop by to pick prepared food for their lunch during the day and some will sit under the trees to eat.

We will continue to prepare the inside facilities as we reopen, following safety guidelines from Provincial Ministry and our local Health Unit in order to keep our staff and patrons safe.

Mantenetevi protetti e in buona salute.

The pandemic has dramatically affected the Club's business since March. The Club ceased normal operations in mid-March and was completely closed for the month of April. In May, we launched our new on-line ordering system for Take-Out orders to our Members and Customers. In June, we reopened the Members' Bar for "Grab and Go" lunch and we recently expanded our services to our outdoor patio for lunch and dinner. We have followed all the re-opening guidelines from the Province and the management team is actively planning for the Phase III opening which will allow us to significantly increase our revenue.

Due to the forced shut-down, the Club has incurred a significant reduction in our revenue which will likely continue for the rest of the year. We have taken advantage of all the Federal Government subsidy programs to cover a significant portion of our ongoing labour costs.

The President, Board of Directors and Management have been working extremely hard to mitigate our operating expenses while ensuring we maintain the Club facilities and service our Customers' for current and future business. Regrettably, we are losing money on a monthly basis and we are forecasting our first yearly operating loss since 2001.

The Club paid off the remaining debentures at the end of 2019 and was essentially debt free. Unfortunately, we will need to borrow money from our Bank by the end of the year to finance our operating loss for 2020. The Club's banking agreement contains operating and term loans facilities that provide access to sufficient financing for the foreseeable future. The Club is in a very strong financial position and we will get through this extremely difficult period.

Audit

We delayed the commencement of the annual year end audit due to the pandemic. We will be working with our auditor, Paul Maini, to complete the audit of the 2019 financial statements over the next two months. The audited financial statements will be presented to the Board of Directors for approval in September.

Health & Safety

The Management has been working hard to ensure we maintain our food quality and the reputation of the Club during this period. The Management has implemented the new government guidelines to provide a safe work environment for our staff and to ensure our customers safety when they come to the Club. A special Thank You to our Human Resources Generalist, Jennifer Stimpson, for taking the lead on interpreting the new government guidelines and working with the Management team to develop policies and procedures to ensure compliance with the government guidelines.

Personal Note

The Club needs the support of its Members during this unprecedented time. Please contact us to volunteer your time or support our business by ordering Take-Out or come to the Club to enjoy lunch or dinner on our patio.

I wish you and your family all the best!

Be Safe.

ENZO PAPPINI, CPA, CA

Finance, Audit, Health & Safety Committee Chairman

"Carissimi Soci/Amici,

We as a community and as the world are now in the midst of a pandemic that none of us have ever experienced. My hope is that you and your families are all safe and are keeping busy during these times. I wanted to take the opportunity to update all of you on how the Entertainment Committee has been dealing with these difficult times.

Our last event was held on February 22nd when we held the Murder Mystery Night featuring "The Zamboni Family". Over the past 6 months we have had to postpone 6 different events including two wine tours (May 24 and July 5), two cooking classes (April 8 and June 9), whisky night (April 16), and paint night in May. The success of our events is measured by the participation of the members and the public, although this time is difficult we hope to return back to normal soon. As Entertainment Chair, I look forward to working with my colleagues Lou Vozza (Membership) and Domenic Viselli (Youth and Culture) to plan new and exciting events to re-engage our membership and continue to improve our Club one event at a time. The Entertainment Committee will reconvene as soon as it is safe to do so to start planning exciting events for when we return for all of you to enjoy.

I look forward to seeing you all soon and on behalf of the Ciociaro Club Entertainment Committee I wish all of you and your families good health and a relaxing and enjoyable summer."

MASSIMO DE MENECH, Entertainment Chair

The Legal, Complaints and Public Relations Committee is looking forward to returning to the Club when it is safe to do so. Until then, we continue to assist in legal matters and monitor customer re-views.

We are happy to report that customers continue to sing the praises of the Club. When our operations were limited to takeout only we received a number of excellent reviews naming our takeout as the best in the city. As we come out of this pandemic the committee will continue to support and monitor the operations of the Club to help ensure our continued success. In the meantime we wish that all of our members stay safe and healthy.

Dear Members of The Ciociaro Club

There is not much to note for the Building group per se, other than to most importantly thank the members and staff for doing whatever

it takes to make us proud.

I want to share my well wishes for everyone, not only to you the members, but to your family, neighbors, friends, acquaintances and passers by.

I know in my heart there is truth. And in this truth there will come a day where, we will all be good again.

Peace, Love and Cheers

CLAUDIO SILVAGGI

We hope that all our Ciociari members and respective families are staying safe during this pandemic.

Unfortunately many of our cultural events have been cancelled or put on hold. We wait patiently for our provincial government to announce a stage three status. With that declaration we can we can slowly start having the cultural

events within the government guidelines. This will mean smaller crowds to hold our festivities. I'm hoping by August, we can hold a small religious celebration for the Madonna di Canneto and a BBQ in the pavilion.

Please come to the Ciociaro Club enjoy the outdoor café. It is a start to return to normalcy. With some patience and respect for social distancing we could support our Club.

May the God bless your families to stay safe .

DOMENIC VISELLI
Youth & Culture Director

Dear members, I hope you have all been keeping safe and in good health during these extraordinary times. Although we may not have been able to enjoy our beautiful Club during these past few months the time for gatherings or normally seems to be around the corner. We hope this is the case

and if so, it is time to continue with the many functions and activities that our members can enjoy.

Prior to the pandemic the Membership Committee was planning some events for our members of all ages such as:

Outdoor movie nights
Easter Egg Hunt
Summer Camp

We will be planning some events for the coming months in anticipation of entering Phase 3 of the re-opening plan. Our team continues to work on a welcome package for new members and we will begin the planning of our Memorial Service for our Deceased Members.

If anyone would like to sign up as Members, Junior Members or Pre-Junior Kids Club Members please apply and we will process your applications.

I would like to invite you all to come and join us here at the Club for our new Drive In Theater. I hope to see you all soon.

Sincerely,

LOU VOZZA

Director, Membership Committee Chair

Dear Members,

I hope that you and your family are doing well and adapting to COVID-19 restrictions that have been placed on all of us!

Here at the Ciociaro Club we have had to work with the same restrictions and guidelines that have been

placed on our Family-- including the Grounds and Outdoors.

During the first 3 weeks of June we were quite busy

tilling and preparing both sides of our expanded entrance and having it hydro-seeded, preparing and planting all the flower beds, repairing and installing new irrigation for our flower beds and also ensuring that our new patio is a welcoming site to our members and patrons.

All of this would not have been possible without the efforts and volunteerism of the following people here listed alphabetically:

Domenic Aversa, Armando Carlini, Tony Capogna, Massimo DeMenech, Gaetano DiPonio, Gaetano Farina, Ivo Leonardi, Tony Mastrogiacono, Rocco Muscedere, Mark Rossi and Enzo Santia.

On my behalf I would like thank them personally --- Grazie per il vostro aiuto!

JOSEPH D. CAPALDI

Director - Grounds and Outdoors

I want to extend a heartfelt "Salute" to all of you and your families. I hope that all of you are safe and healthy during these troubling times. The Operations Committee has been very busy during the shut down. The Management has been very

busy in developing new and better Services, Menus and more Customer Friendly Packages. We want to always stay ahead of the curve and be the leaders in the Banquet Hall Industry.

We spent the month of April developing a safe plan for the return of some of our staff to work and on May 1, we started our Curb Side Take Out Service and it continues to doing very well. We then started planning the re opening of the Bar with Grab and Go Lunch as more businesses started opening. Prior to Essex County going into Stage 2 we had been planning and preparing for the Ciociaro Patio. On June 24 the Patio was opened and I am so happy to start seeing our great customers returning.

I encourage all of you to come visit our Patio for dinner, coffee, gelato and of course our great pizza. Our Friday Night Specials are back and will be available all weekends now.

As we get closer to Stage 3 we are finalizing the plans to once again be able to welcome our customers in the bar and hopefully soon to host weddings, banquets and other events.

I hope all of you remain safe and healthy and we are excited to see all of you soon at our great Club.
