

CORRIERE CIOCIARO

NOVEMBER / DECEMBER 2020 NOVEMBRE / DICEMBRE

A MESSAGE FROM OUR PRESIDENT/PRESIDENTE

My fellow Ciociari,

This past year we have been faced with many challenges. We have had to address the shrinkage of our sales, the reduction of our staff, and the reduced gathering limits, prohibiting our Club from having banquets and holding our traditional festivals and events. We have had to overcome required facility changes due to regulation adaptations, new laws and social rules. The Ciociaro Club has faced these and many other adversities head on, and it has made our Club stronger, more diverse and more receptive to new ways of doing business.

Our team of extraordinary employees, dedicated volunteers, passionate Board members and loyal members have allowed us to adapt quickly to imposed regulations, updated health and safety protocols and permitted us to expand our service offerings, in both how and what we offer. We have been focused on finding solutions to increase our sales, while maintaining cost controls. We were very fortunate in having been able to open our patio quickly and offer "grab-and-go" lunch items. Pushing these items, in conjunction with our online ordering has allowed the Club to minimize the overall financial impact the pandemic has brought with it. We, however, will need to begin making some more changes to our business model as we begin 2021.

At the end of 2019, the Club's financial position was extremely strong and we were flush with cash. At that time, the Board and General Assembly had approved to pay out the remaining debentures. After we paid out those debentures, we were left with enough liquidity to carry us to the end of this year and through the COVID pandemic thus far. Based on our strong 2019 financials, and being debt free, we have been able to make arrangements with our lender to provide very cost-effective funding which will carry us through until the end of 2021.

To support management and to help with our ability to adapt to the current situation, I will be asking the Board of Directors at our next Board meeting to approve changes to the Chairmanships and sub-committee structure. I will be creating sub-committees targeted around 3 key areas, first, the club's revenue sources and how we can help increase sales at the Club, second, cost reduction analysis, how we can reduce all general,

Miei cari Ciociari,

Lo scorso anno abbiamo dovuto affrontare molte sfide. Abbiamo dovuto affrontare la contrazione delle nostre vendite, la riduzione del nostro personale e la riduzione dei limiti di raccolta, vietando al nostro Club di organizzare banchetti e organizzare le nostre feste ed eventi tradizionali. Abbiamo dovuto superare le modifiche necessarie alle strutture dovute all'adeguamento della regolamentazione, alle nuove leggi e alle regole sociali. Il Ciociaro Club ha affrontato queste e tante altre avversità a testa alta, e ha reso il nostro Club più forte, più diversificato e più ricettivo a nuovi modi di fare impresa.

Il nostro team di dipendenti straordinari, volontari dedicati, membri del consiglio appassionati e membri fedeli ci ha permesso di adattarci rapidamente alle normative imposte, ai protocolli di salute e sicurezza aggiornati e ci ha permesso di espandere la nostra offerta di servizi, sia come che cosa offriamo. Ci siamo concentrati sulla ricerca di soluzioni per aumentare le nostre vendite, mantenendo il controllo dei costi. Siamo stati molto fortunati ad essere stati in grado di aprire rapidamente il nostro patio e offrire prodotti per il pranzo "da asporto". La diffusione di questi articoli, insieme al nostro ordine online, ha consentito al Club di ridurre al minimo l'impatto finanziario complessivo che la pandemia ha portato con sé. Tuttavia, all'inizio del 2021, dovremo iniziare ad apportare ulteriori modifiche al nostro modello di business.

Alla fine del 2019 la posizione finanziaria del club era estremamente solida ed eravamo pieni di liquidità. A quel tempo, il consiglio e l'assemblea generale avevano approvato il pagamento delle restanti obbligazioni. Dopo aver pagato quelle obbligazioni, ci è rimasta abbastanza liquidità per portarci fino alla fine di quest'anno e attraverso la pandemia COVID fino ad ora. Sulla base dei nostri solidi dati finanziari del 2019 ed essendo privi di debiti, siamo stati in grado di prendere accordi con il nostro istituto di credito per fornire finanziamenti molto convenienti che ci porteranno fino alla fine del 2021.

Per supportare la direzione e per aiutare con la nostra capacità di adattarci alla situazione attuale, chiederò al consiglio di amministrazione nella nostra prossima riunione del consiglio di

capital and daily expenses while maintaining our operations and third, a cash flow committee, focused on short term (monthly), medium term (3 to 5 months) and long term (9 to 12 months) cash flow strategies analyzing how we handle the COVID impact depending the length of business restrictions.

The 2021 Ciociaro Club business will be very different than the Ciociaro Club of the previous 10 years. Managing our monthly cash flows, reviewing all revenue sources and doing a deeper examination of all capital and general expenses, will be part of our daily routines. We will analyze the impact of these, and its effect on the Club's ability to service our members and customers. How we conduct our banquets, weddings and special events will change due to tight restrictions. Our ability to hold our monthly and annual events has changed and as such we are looking through all of our options to have a General Assembly meeting that meets all of the government safety protocols. As soon as we are safely able to have a meeting that allows all of our members to attend, we will do so.

I would like to leave you with a couple of final points:

The future of the Club is very strong! Our advanced hall bookings are full and push deep into 2022 & 2023. When we are able to open to allow more guests beyond the current imposed restrictions, the Club will be the busiest it has ever been. The challenge ahead of us remains when will that be?

Through all of the business interruptions, safety protocol changes, limits to our social gatherings and changes in all of our personal lives, we must remain positive. We must find solace in that: this too shall pass! We will all come out on the other side, a little wiser, much stronger and even more connected to one another as we have faced this challenge together. Remember what a small group of individuals did in 1972. They brought their culture, friendship and shared adversities together to create the Ciociaro Club. I can't wait to see how our membership, of nearly 1800, can come together and share in these same ideals!

I wish all of you and your families a blessed Holiday season filled with health and happiness.

Merry Christmas and Happy New Year!

Mark Rossi, President
Ciociaro Club of Windsor

approvare le modifiche alla presidenza e alla struttura dei sottocomitati. Creerò sottocomitati mirati a 3 aree chiave, in primo luogo, le fonti di reddito del Club e come possiamo aiutare ad aumentare le vendite nel Club, in secondo luogo, l'analisi della riduzione dei costi, come possiamo ridurre tutte le spese generali, in conto capitale e giornaliero mantenendo le nostre operazioni, in terzo luogo, un comitato per il flusso di cassa, incentrato sulle strategie di flusso di cassa a breve termine (mensile), medio (da 3 a 5 mesi) e a lungo termine (da 9 a 12 mesi) che analizza come gestiamo l'impatto COVID a seconda della durata delle restrizioni aziendali.

Il business del Ciociaro Club 2021 sarà molto diverso dal Ciociaro Club dei 10 anni precedenti. La gestione dei nostri flussi di cassa mensili, la revisione di tutte le fonti di reddito e l'esame più approfondito di tutte le spese generali e di capitale faranno parte della nostra routine quotidiana. Analizzeremo l'impatto di questi e il suo effetto sulla capacità del Club di servire i nostri soci e clienti. Il modo in cui conduciamo i nostri banchetti, matrimoni ed eventi speciali cambierà a causa di rigide restrizioni. La nostra capacità di organizzare i nostri eventi mensili e annuali è cambiata e in quanto tale stiamo esaminando tutte le nostre opzioni per organizzare un'assemblea generale che soddisfi tutti i protocolli di sicurezza del governo. Non appena saremo in grado di tenere una riunione che consenta a tutti i nostri membri di partecipare, lo faremo.

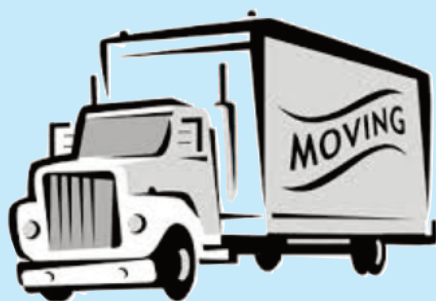

Vorrei lasciarvi con un paio di punti finali:

Il futuro del Club è molto forte! Le nostre prenotazioni avanzate per le sale sono complete e proseguono fino al 2022 e al 2023. Quando saremo in grado di aprire per consentire a più ospiti oltre le attuali restrizioni imposte, il Club sarà il più affollato che sia mai stato. La sfida davanti a noi rimane.... quando sarà?

Nonostante tutte le interruzioni dell'attività, le modifiche al protocollo di sicurezza, i limiti alle nostre riunioni sociali e i cambiamenti in tutte le nostre vite personali, dobbiamo rimanere positivi. Dobbiamo trovare conforto in questo: anche questo deve passare! Usciremo tutti dall'altra parte, un po' più saggi, molto più forti e ancora più connessi gli uni agli altri mentre abbiamo affrontato insieme questa sfida. Ricordate cosa ha fatto un piccolo gruppo di individui nel 1972. Hanno unito la loro cultura, amicizia e avversità condivise per creare il Ciociaro Club. Non vedo l'ora di vedere come i nostri, (quasi) 1800, membri potranno riunirsi e condividere questi stessi ideali!

Auguro a tutti voi e alle vostre famiglie felicità e salute per le Feste!
Buon Natale e Felice Anno Nuovo

Memorial Prayer Service

A memorial prayer service honouring our deceased members is held annually in the Madonna di Canneto Chapel in the month of November. This year, due to the Covid-19 pandemic, we have had to cancel the service to prevent any unnecessary risk to our members.

However, we have not forgotten our deceased members. We extend our sincerest condolences to the families of those who have lost a loved one this past year. We also honour all those members whose names have already been printed on the Club's memorial plaque. Our members are the roots of success that have allowed our Club to succeed.

As our Ciociaro Club family continues to grow, we must remember all those members we have lost. We ask you to keep them in your thoughts and prayers.

FROM THE BOARD OF DIRECTORS

It is my sincere hope that you and your loved ones continue to remain safe and well.

Although, the Club has been significantly impacted by this COVID pandemic work continues on several fronts. As a team, our main

focus has been to streamline operations and to ensure we position the Club to emerge from this unique situation in the best possible way.

From a cultural perspective, I continue to be involved in our programming through participation in activities such as the Ciociaro Soccer and the Membership Committee.

Similarly, I am pleased to report that our Italian Language program has restarted. The Club is virtually administering two High school credit classes. Likewise, the Adult Recreational program is underway with in-person sessions that adhere to social distancing requirements.

We have also received notice that our Saturday morning Children's Italian Language Program will be resuming shortly and we are working with the Windsor Essex County District School Board to allow for this to take place - stay tuned as more information will be available in the coming weeks.

Lastly, I will be leading an initiative with the Association of Italian Clubs of Ontario so that we can collaborate and share best practices (business & cultural) in order to work through issues related to COVID. In addition, we will coordinate efforts to communicate to all levels of government, with "one voice", in order to be properly heard and supported.

In closing, I extend heartfelt greetings to you and your family for a very Merry Christmas, and a happy and healthy New Year.

FRANK MACERONI, Vice President

Dear Members,

It has been several months since I've seen or spoken to many of you. I hope you and your family are staying safe and healthy. I look forward to spending some time together in the new year.

I would like to extend sincere and heartfelt best wishes for the upcoming Christmas and New Year season. Enjoy this precious time with your family.

Sincerely, **ENIO DIDONATO, Treasurer**

Dear Members,

We haven't been able to hold neither general meetings since last February, nor our Member's banquet nor any other festivities this year. With promising vaccines against the spread of this pandemic, we hope that once again we can enjoy the company of our family and friends, as we return to holding meetings and having banquets and other celebrations at our beloved Ciociaro Club sometime next year.

Included with this newsletter you will find a Calendar for 2021. Please, patronize our sponsors who helped with the cost of our calendar.

My best wishes to you and your families for a Holy Christmas and a Happy New Year full of joy, health and prosperity.

Cari Soci,

Non abbiamo avuto ne' riunione generale sin da Febbraio, ne' Banchetto dei Soci ne' altre feste durante l'Anno. Con promettenti vaccini contro la diffusione di questa pandemia, speriamo che ancora una volta potremmo goderci la compagnia di amici e parenti, ritornando ad avere riunioni, banchetti ed altre celebrazioni al nostro amato Ciociaro Club nell'anno prossimo.

Incluso col notiziario, troverete il Calendario per il 2021. Per cortesia, patrocinare i nostri sponsors che hanno contribuito al costo del nostro calendario.

Porgo i miei migliori auguri a voi e alle vostre famiglie per un Santo Natale e un felice Anno Nuovo, pieno di gioia, salute e prosperita'.

ARMANDO CARLINI, Corresponding Secretary

Dear members and your families, We hope that you are doing well and staying safe. During these trying times we have been working together as a team under the leadership of our President. FINANCE

The pandemic has dramatically affected the Club's business since March. Over the summer, our Members and Customers have been actively using our on-line ordering system for Take-Out orders, visiting the Members' Bar for "Grab and Go" meals and the outdoor patio for lunch and dinner.

To the end of October, the Club's revenue is down over 75% from 2019 and we are going to operate at a loss for 2020 (first yearly operating loss since 2001). The operating losses will continue until we can fully reopen and start having banquets with more than 50 people. The President, Board of Directors and Management have been working extremely hard to mitigate our operating expenses while ensuring we maintain the Club facilities and service our Customers' for current and future business.

We have secured financing from our Bank that will cover our operating losses for the foreseeable future. The Club is in a very strong financial position and we will get through this extremely difficult period.

The Club needs the support of its Members during this unprecedented time. Please contact us to volunteer your time or

support the business by ordering Take-Out, coming to the Club to enjoy lunch or dinner or booking a family event.

AUDIT

In October, the audited financial statements for the year ended December 31, 2019 were approved by the Board of Directors.

HEALTH & SAFETY

The Management continues to work hard on maintaining our food quality, service and reputation of the Club during this period. We continue to follow the government's COVID-19 guidelines to ensure the safety of our employees and customers.

We did have one employee test positive for COVID-19 in September. The Club worked with the Health Unit to ensure all procedures were followed and we have not had any additional cases.

Personal Note

I want to wish you and your family a Merry Christmas and Happy New Year!

ENZO PAPPINI, CPA, CA

Finance, Audit, Health & Safety Committee Chairman

"Carissimi Soci ed Amici,

As we continue to live through these unprecedented and difficult times, I hope you and your families are staying safe and healthy. As we approach the Christmas Season, we as Ciociaro members have become accustomed to celebrating together at the Club and sharing a meal and a drink together,

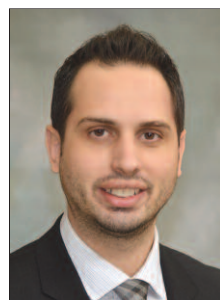

unfortunately this year for everyone's safety that cannot happen. I look forward to 2021 when we will all be able to join again together as a Club to enjoy each other's company, share a meal, and celebrate our Ciociaro Heritage. This year's Frankenmuth Shopping Trip was scheduled for November 29, 2020, its cancellation adds to the list of events that have had to be cancelled this year. The Entertainment Committee is looking forward to 2021 and are excited to hopefully return to hosting events once again. We as members and as a Club are resilient people and have endured difficult times before, we will get through this together and I hope as members we support our Club either through ordering takeout or participating in the various small social distanced events taking place.

This year on November 27th, the "Mangia for Men's Health!" event will take place in support of GrowOn Windsor and the Windsor Cancer Centre Foundation. Last year, we were able to

raise and donate \$6125 to the Windsor Cancer Centre Foundation and this year our goal is to raise \$10,000. Reaching this year's goal of \$10,000 will need to be a Club and team effort, I am asking you my fellow members to please participate either through buying raffle tickets (sold Thursday and Friday nights in the Member's Bar) throughout the month of November, or by purchasing a takeout order (10% of all takeout sales throughout the month of November will be donated to the Cancer Foundation). Cari soci, amici, vi auguro un BUON NATALE ed un Felice Anno Nuovo a voi e alle vostre famiglie!

Although things might be different this year than from years past, we hope that each of you get at least some time with family to enjoy the holiday and savour the important things in life. As the New Year arrives, we

look forward to a return to normalcy and bringing the Club forward into a new chapter that might not look the same as years past but will share the same successes of the Club that all of us are used too.

Looking forward to serving the membership in 2021.

JOE MALANDRUCCOLO

In this world of wonder, there is not much to

report for the building group. I would like to thank all the employees, members, managers and board members for all their help during this time. We are from a heritage that will endure no matter what challenges we face.

In the days ahead, in so many ways, it is important that we all stick together as ...

1. This is the only way we achieve success. This is part of the breadcrumbs that our fore-mothers and fore-fathers have left us with. We need to be the role models and put only our best, loving efforts forward.

2. This is the test that is upon us no matter where we are and whom we are with. I do know that the Italian Communities amongst others will achieve this goal and set the benchmark to how communities are to behave.

My wife and I decided to stay near family members out of country and can only be available by phone/email/etc.

Buon Natale e Felice Anno nuovo.

Be safe, stay well, be loved, and be in a loving community with others.

Madonna di Canneto
Aug. 16, 2020

This year's Madonna di Canneto festival was cancelled due to the Corona virus. These are difficult times for many of our faithful pilgrims and members of the

Ciociaro Club, who could not attend because of the pandemic. Within the laws of our provincial government we opened the chapel only for a prayer session. Inside the chapel, the Blessed Mother was on display with fresh flowers and cathedral glass candles surrounding her. During the afternoon, 30 people came to pray to the Madonna di Canneto. Bead by bead, they said the rosary in unison, asking for guidance, health and healing the earth from violence and sickness. I would like to thank everyone involved in making this possible and special thanks to Norina Iannetilli, who led the group in saying the rosary.

DOMENIC VISELLI
Youth & Culture Director

Unfortunately, we have decided to cancel the annual Christmas party due to the Covid-19 pandemic. I hope that in the New Year we may be able to come together and enjoy each other's company once again.

Until, then we ask that you stay safe and enjoy the holidays. On behalf of the entire membership committee we wish you a very Merry Christmas and a wonderful New Year.

LOU VOZZA
Director, Membership Committee Chair

Dear Members,

It has been over eight (8) months that we as a Ciociaro family have not been able to get together because of COVID-19!

To put things in perspective eight (8) months does not seem like a long time, but many things can happen over this period.

I know that we have lost members — members that I met through the Ciociaro Club and because of this pandemic WE have not been able to say our goodbyes in the

manner that we were accustomed to—for that I am sorry.

The social aspect of our Club has been missing — I hope and pray that our collective strengths will see this through!

I am looking forward to seeing you, when all of this is said and done—in the mean time I would like to take this opportunity to wish you and your families a ***Christmas*** filled with Peace, Love, Hope and Joy—***Buon Natale e Felice Anno Nuovo a tutti!***

Dear Members,

I hope that all of you and your families are doing well and are safe.

As this very difficult year comes to a close; the board and our management team continues to work on

finding new ways conduct business. The management team has worked diligently to assure that the club is safe for our members and customers. They are making plans to continue the traditions of the holiday season.

I hope to see all of you soon at our club for a drink, dinner or even a coffee for the holidays.

Hope that all of you have a Very Merry Christmas and a Happy New Year. I wish a Healthy and Prosperous 2021 for everyone.
