MARCH / APRIL / MAY 2021 MARZO / APRILE / MAGGIO

A MESSAGE FROM OUR PRESIDENT/PRESIDENTE

My Dearest Members,

It is unbelievable that it has been over a year that our world has been turned upside down. Although I wish we could celebrate this together, I am certain that we are all taking a moment to reflect on how this pandemic has affected each of us in our own unique way. We have all faced extreme challenges in our personal, business and social lives. Our membership is strong, resilient and proud, and I am certain that through this adversity we will emerge stronger and more united.

We will still face several unique challenges this upcoming year. The never yielding restrictions, the shutdowns and the vaccination schedules, have all affected our ability to gather, to celebrate and to unite, both as a cultural club and as a banquet facility. I want to assure you all that your management team and Board of Directors are here fighting for all of our members, customers and employees.

Your Board of Directors has continued to meet to ensure that the Club is operating as effectively and efficiently as possible. We are arranging for preparations of our grounds and outdoor areas to accommodate outdoor weddings and events at our pavilion and soon to be established tented areas. We have also elected to begin our General Assembly meetings in May. You will read further in the newsletter about our process for having these meetings. We will follow all government mandates and will meet accordingly. Please read the insert with directions on how these meetings will be conducted.

Overall, your Club is strong and positioned to come out of this pandemic on very sure footing. Our deposits and long-term commitments remain strong and we are strengthening our foundations and policies to ensure that we will come out of this stronger, leaner and more focused.

I look forward to seeing you all. Please stay safe and, God willing, we will all be able to celebrate very soon.

MARK ROSSI, President
Ciociaro Club of Windsor

Miei carissimi membri,

È incredibile che sia passato più di un anno che il nostro mondo sia stato capovolto. Anche se vorrei che potessimo festeggiarlo insieme, sono certo che ci stiamo tutti prendendo un momento per riflettere su come questa pandemia ha colpito ciascuno di noi nel nostro modo unico. Abbiamo tutti affrontato sfide estreme nella nostra vita personale, lavorativa e sociale. I nostri membri sono forti, resilienti e orgogliosi e sono certo che attraverso queste avversità emergeremo più forti e più uniti.

Affronteremo ancora diverse sfide uniche nel prossimo anno. Restrizioni che non cedono mai, interruzioni e programmi di vaccinazione hanno tutti influenzato la nostra capacità di riunirsi, di celebrare e di unirsi sia come club culturale che come struttura per banchetti. Voglio assicurarvi che il vostro team di gestione e il vostro Consiglio di Amministrazione stanno combattendo per tutti i nostri membri, clienti e dipendenti.

Il vostro Consiglio di Amministrazione ha continuato a riunirsi per garantire che il Club operi nel modo più efficace ed efficiente possibile. Stiamo organizzando i preparativi dei nostri terreni e delle aree esterne per ospitare matrimoni ed eventi all'aperto presso il nostro padiglione e presto saranno istituite aree tendate. Abbiamo anche deciso di iniziare le nostre riunioni dell'assemblea generale a maggio. Leggerete più avanti nella newsletter sul nostro processo per tenere questi incontri. Seguiremo tutti i mandati del governo e ci incontreremo di conseguenza. Si prega di leggere l'inserto con le indicazioni su come saranno condotti questi incontri.

Nel complesso, il vostro club è forte e posizionato per uscire da questa pandemia su un piano molto sicuro. I nostri depositi e gli impegni a lungo termine rimangono forti e stiamo rafforzando le nostre basi e politiche per assicurarvi che ne usciremo più forti, più snelli e più concentrati.

Non vedo l'ora di vedervi tutti. Per favore, state al sicuro e, se Dio vuole, potremo tutti festeggiare molto presto.

A tutti - Rimanete sempre sani e salvi!

MARK ROSSI, Presidente, Ciociaro Club di Windsor

FROM THE BOARD OF DIRECTORS

It is my sincere hope that you and your loved ones continue to remain safe and well. Although the Club has been significantly impacted by the COVID pandemic, work continues on several fronts. As a team we have worked to successfully streamline operations. Similarly, we are implementing plans to ensure the smooth and successful relaunch of our business so that we position the Club to emerge from this unique situation in the best possible way.

Specifically, with respect to our business operations, I am taking a leadership role within a committee that consists of our management team and other board members with the scope of increasing our outdoor event capacity. This will afford us the opportunity to

generate much needed revenue if restrictions on the number of patrons that can be hosted indoors do not ease.

From a cultural perspective, I continue to be involved in several aspects of our membership programming, primarily through the direct participation in the organizing activities of our Youth Soccer House League Program.

Lastly, building upon relationships that have been cultivated over the years, work is continuing with the Association of Italian Clubs of Ontario in an effort to collaborate and share best practices (business and cultural).

In closing, I extend heartfelt greetings to you and your family for a blessed and Happy Easter.

Sincerely, **FRANK MACERONI, Vice President**

SUPPORT YOUR CLUB

FROM THE BOARD OF DIRECTORS

Dear members, we are hoping that you and your families continue to remain safe and healthy. It has been a year of many challenges, reassuring that our whole team has been working very hard under the leadership of our President for the best interest of our Club.

Last year on the day of the International Women's Day Banquet, due to the outbreak of COVID-19, the event was cancelled. This year (2021) has not changed, so we are hoping and looking forward that in 2022 we will be celebrating again. With the hard work and dedication of the committee: myself (Anna Vitti), Ilde Mariani, Rita Petrilli and Anna Voza, to date we have raised and donated approximately \$140,000 for the Breast Health Centre at Windsor Regional Hospital, which has helped to add a 3-D Digital Mammography Machine. This year with the help the Ciociaro Club is offering, an International Women's Day special menu will be available the entire month of March.

Ten percent (10%) of the proceeds will be donated to Breast Health Centre at Windsor Regional Hospital. I am asking you my fellow members to please support this cause.

HAPPY INTERNATIONAL WOMEN'S DAY to all our beautiful and strong ladies.

Il mese di Marzo e' dedicato a festeggiare La Festa Delle Donne.

Tanti auguri a tutte le nostre bellissime donne.

As the Easter season is approaching, I wish you and your loved ones a Happy Easter filled with plenty of love, happiness, peace and good health.

Augurandovi cari membri e Amici Buona Pasqua piena di Pace, Serenità e Buona Salute. Dio ci Benedica, sperando di rivederci presto.

Affettuosi Saluti e un Forte Abbraccio.

Stay Safe and Healthy and may God Bless Everyone!

ANNA VITTI, Recording Secretary

FROM THE BOARD OF DIRECTORS

Dear Members,

Fourteen months have gone by since we had our last General Meeting. As the COVID-19 pandemic is still with us, the Board, management and staff at the Ciociaro Club are doing the best in keeping up with the continuing changes of closing and partially opening our facilities to Members and the General Public. We are following all Provincial and local Public Health authorities guidelines in order to keep our staff and customers safe. Presently we are in Stay at Home order from the Province of Ontario.

At this time the Club is offering Grab-n-go lunch: Tuesday to Friday 11:30am -2:30pm.

Curbside pick-up and Skip The Dishes: Tuesday to Sunday 11:30am – 7:00pm.

You can always visit our website for changes and updates: www.ciociaroclub.com

With the increased vaccinations and staying safe with masks and distancing, we should be back to normal soon and once again enjoy getting together at our Club.

Warmest regards

ARMANDO CARLINI
Corresponding Secretary

Cari membri,

Sono passati quattordici mesi dalla nostra ultima Assemblea Generale. Poiché la pandemia COVID-19 è ancora con noi, il Consiglio, la direzione e il personale del Ciociaro Club stanno facendo del loro meglio per tenere il passo con i continui cambiamenti di chiusura e parziale apertura delle nostre strutture ai Soci e al pubblico in generale. Stiamo seguendo tutte le linee guida provinciali e locali delle autorità sanitarie pubbliche al fine di mantenere il nostro personale e clienti al sicuro. Attualmente siamo in regime di Stay at Home dalla Provincia dell'Ontario. In questo momento il club offre il pranzo Grab-n-go: Da martedì a venerdì dalle 11:30 alle 14:30.

Curbside pick-up e Skip TheDishes: Da martedì a domenica dalle 11:30 alle 19:00. Potete sempre visitare il nostro sito web per cambiamenti e aggiornamenti: www.ciociaroclub.com

Con l'aumento delle vaccinazioni e rimanendo al sicuro con maschere e distanze dovremmo tornare presto alla normalità e ancora una volta godere di stare insieme al nostro Club.

Cordiali saluti

Armando Carlini, Segretario della corrispondenza

Dear Members,

Stay well and safe until we meet again.

FROM THE DIRECTORS

FINANCE

2020 Summary

The pandemic has dramatically affected the Club's business since March 2020. The Club ceased normal operations in mid-March and was completely closed for the month of April. In May, we launched our new on-line ordering system for Take-Out orders to our Members and Customers. In June, we reopened the

Members' Bar for "Grab and Go" lunch and expanded our services to our outdoor patio for lunch and dinner. For the remainder of 2020, the Club operated in a limited capacity since we were not able to fully reopen our banquet facilities due to the COVID-19 restrictions.

The Club's revenue was down nearly 80% and we operated at a loss for 2020 (first yearly operating loss since 2001). The operating losses will continue in 2021 until we can fully reopen and start having banquets with more than 50 people. The President, Board of Directors, Staff and Management have been working extremely hard to mitigate our operating expenses while ensuring we maintain the Club facilities and service our customers for current and future business.

In November, we borrowed money from our Bank and we currently have approximately \$1 million in the Bank to cover operating losses for the foreseeable future. The Board continues to evaluate additional financing options to ensure we have the financial resources available to take advantage of opportunities that will arise once we return to normal operations. The Club is in a very strong financial position and we will get through this extremely difficult period.

2021

The pandemic continues to seriously affect our business due to the Provincial government lock-down in January that required us to limit our business to Grab & Go and Take-out orders. In February, we added "Skip the Dishes" to our Take-out offering so please use this service if you want to order food for home delivery. The Management and Board are evaluating other revenue generating options to increase sales in 2021.

Unfortunately, we will continue to operate at a loss for the foreseeable future due to the COVID-19 restrictions. Vaccinations are just starting in our community and the Province will continue to slowly lift the COVID-19 restrictions. This will allow us to safely welcome our Members and the Community back to our Club for Banquets and Weddings.

AUDIT

We will be working with our auditor, Paul Maini, to complete the audit of the 2020 financial statements over the next couple of months.

HEALTH & SAFETY

The Management continues to work hard on maintaining our food quality, service and the reputation of the Club. We are following all the government's COVID-19 guidelines to ensure the safety of our employees and customers and have not reported any COVID-19 cases since September. We have had no significant Staff or Customer injuries to report to the Membership.

Personal Note

I hope that you and your families are doing well!

Regards,

ENZO PAPPINI, CPA, CA

Finance, Audit, Health & Safety Committee Chairman

"On behalf of the "Mangia for Men's Health!" fundraising team, I am excited to announce that our fundraising event last November placed in the **Top 5 teams** for money raised and donated for 2020. With the help of the community, our members, and the committee, we were able to raise **\$7735.00** to be donated to GrowOn Windsor and the Windsor Cancer Centre Foundation! The committee would like to thank our 25 donors and sponsors, as well as those who purchased raffle tickets and takeout orders throughout the month of November. Our combined two-year fundraising total has now reached **\$13,860** that is being used to help the men in our community fight their cancer battle. The "Mangia for Men's Health!" team is now preparing for this year's event which will be held on November 26, 2021, please stay tuned for more information." -**Massimo De Menech, Chair of "Mangia for Men's Health!"**

"Carissimi Soci ed Amici, we as a Club and as a world continue to find ourselves in difficult times. I look back over the past year and wonder how much joy and excitement could have been shared with one another during our summer festivals

and members' banquet, unfortunately, we have all had to make changes in our lives for our safety and for the safety of others. I think of our wine tours and the smiles on the faces of our members as they share a Sunday afternoon together exploring our local wine region, I smile as I think of our summer festivals and our beloved Madonna di Canneto festival bringing all of us together to celebrate our faith, our shared culture and heritage. Hopefully, soon we will all be able to be together again and share in these cherished moments as united members of our Ciociaro Club. I hope you and your families had a safe and happy holiday season and this snowy Canadian winter was not too much to bear. I sincerely wish you and your families health and happiness for the year ahead and I hope as the weather warms up and our world slowly re-opens that we will be sharing a coffee together at our Club."

FROM THE DIRECTORS

Gentili Soci,

Da molto tempo che non ci vediamo e vorrei estendere un saluto speciale a voi tutti

In questo momento critico del COVID 19, spero che state tutti bene insieme alle vostre famiglie.

Credo che stiamo arrivando al bivio della guarigione di questa epidemia e spero che tra pochi mesi ci possiamo incontrare tutti di nuovo al Club come prima. Distinti saluti.

GIULIO MALANDRUCOLO, Chairman dei Soci.

Dear Members

It has been some time now that we have enjoyed the club and all its functions. I hope that you and your family are all safe and healthy.

Once we return to a “new normal”, in life, the Ciociaro Club will be ready and waiting to see you all.

Again, be safe and healthy,

Cheers, **JOHN MACERONI**

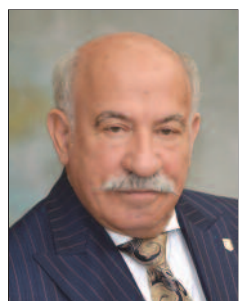

Cari Soci,

Da un po 'di tempo abbiamo apprezzato il Club e tutte le sue funzioni. Spero che voi e le vostre famiglie siate tutti sani e salvi.

Una volta tornati ad una “New Normal”, nella vita, il Ciociaro Club sarà pronto e in attesa di vedervi tutti.

Di nuovo, siate sani e salvi,

Saluti, **GIOVANNI MACERONI**

Dear Members,

It now has been over twelve (12) months that we as a Ciociaro family have not been able to get together because of COVID-19!

To put things in perspective twelve (12) months does not seem like along time, but many things have happened over this period.

I know that we have lost members—members that I met through the Ciociaro Club and because of this

pandemic WE have not been able to say our goodbyes in the manner that we were accustomed to—for that I am sorry.

The social aspect of our Club has been missing—I hope and pray that our collective strengths will see this through!

Now, for an update on the affairs of my responsibilities at the Club:

Grounds and Outdoors Chair

Another winter has come and gone with minor issues to report that come with snow removal—we were able to reduce the area to be cleared because some parking lots were not in use and cordoned off. And again because of the COVID-19 stay at home restrictions, I could not frequent the Club as often as I normally do—I have to thank Domenic Aversa, the General Manager for addressing the minor issues as they came up!

We (Domenic Aversa) and myself will in the near future sit down with Matt Janisse (M&M Sports Management) to review the 2021 Baseball Season.

I wish all our Ciociaro members and families in staying safe during the COVID pandemic. As we move towards mass vaccinations I encourage our membership to openly accept the vaccine to ease our health risk and return to social gatherings. The Ciociaro Club will

resume to normal business protocol as government restrictions are lifted.

Currently, all Club sports activities are at a standstill, but are accepting new members.

- **Sportsmen Group President - Domenic Iannetta**
- **Cycling Group President - Pete DiPonio**
- **Soccer Group President - Jason Mastrogiacomio**
- **Women's Bocce President – Anna Lecce**
- **Men's Bocce President – Rocco Lecce**

If there is any interest in any sport involvement please contact me at youth.culture@ciociaroclub.com or the Ciociaro Club at 519-737-6153.

With the upcoming Easter holiday, I wish everyone Buona Pasqua.

DOMENIC VISELLI
Interim Sports Chair

Constitution Chair

At the monthly meeting of the Board of Directors of November past I was appointed Chairperson of Constitution Committee on an interim basis to help the Club navigate through this COVID crisis.

On January 26, 2021, Mark Rossi President of the Club called a virtual meeting via GoTo Meeting App which included Frank Maceroni (Vice President), Joseph Giorgi (Legal Counsel of the Club), myself and Joe Malandrucolo who joined us later because of previous commitment.

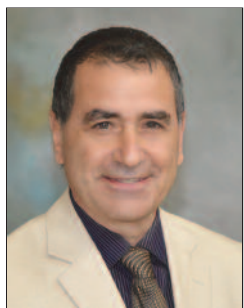

We discussed in an open forum the challenges facing the Club at this time.

Since then, at our last Board of Directors meeting of February 25th 2021—Mr. Giorgi presented a memorandum giving us guidance/options as per the Ontario Corporations Act—current legislation and our **Constitution and By-Laws**

We [Mark Rossi, Massimo DeMenech and Frank Fazio (Rocco Maiuri—out of town)and myself] will be meeting this Saturday to review in depth the alternatives that were presented to us last week.

I am looking forward to seeing you, when all this is said and done—in the meantime I would like to take this opportunity to wish you and your families an Easter filled with Hope and Peace—*auguro a tutti una santa Pasqua!*

JOSEPH D. CAPALDI

Carissimi Ciociaro Club Members.

Good day, we hope this newsletter finds you, family and friends safe and well. One thing we can do in these times is learn from some of the Great Italians from “la ciociaria”, specifically the misunderstood philosophers and the root meaning or etymology of this word.

Let's note one well known philosopher, **Cicero** (Marcus Tullius Cicero : **born arpino Frosinone**), with his works and understandings of true

philosophy aka hellenistic philosophy or ancient Greek philosophy.

Before we move on, let's take away the boring aura that has labelled the word Philosophy, and replace it with what is known as Phi-losophi-a, the Study of Phi and it's incommensurate nature with 1.

Have you heard of the Golden Ratio? Plato's divided line? The Fibonacci Spiral? The way that mother nature manifests all things visible. Philosophy is the true study of universal Physics and Metaphysics which in themselves are equal.

The great Phi-losophers of the day knew that the study of **1 is to Phi** as **Phi is to 1** is the basis of all science in which today is secularized and lacks true meaning. The phi-losophers knew that 1 and phi were interchangeable in Nature and are infinite inward and outward at the same time.

Proof of this can be found in what we have termed the “DaVinci Code”. A fibonacci spiral aka golden spiral is simple to create. Starting with the trinity of numbers 0-1-1, then 2,3,5,8,13,21 which is an infinite spiral of addition of the last two consecutive numbers. The Code becomes realized when you only take the last digit ie, 0,1,1,2,3,5,8,3,1,4, etc. Then one can see that it repeats after 60 numbers. Know that this circle of 60 repeating numbers is what all philosophers had an understanding of. Meanings span from the Musical circle of 5th's, the cross and laying out the milky way which lines up with the great pyramids. It would take the whole newsletter to paint all the meanings that have been found.

Next you will see a couple of examples for you to gaze upon. Beside these images will be quotes from Cicero.

Quotes from Cicero

“Those dwelling near the cataracts grow used to the noise and therefore cannot hear it: so too mankind cannot hear the music of the spheres.

Are you not ashamed as a scientist, as an observer and investigator of nature, to seek your criterion of truth from minds steeped in conventional beliefs?”

“As a man who knows how to make his education into a rule of life not a means of showing off; who can control himself and obey his own principles.”

Hopefully you can see that phi-losophy has much more meaning than what we've been taught.

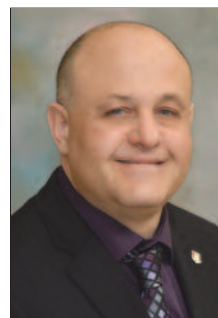

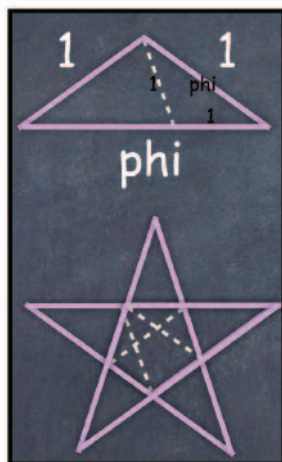

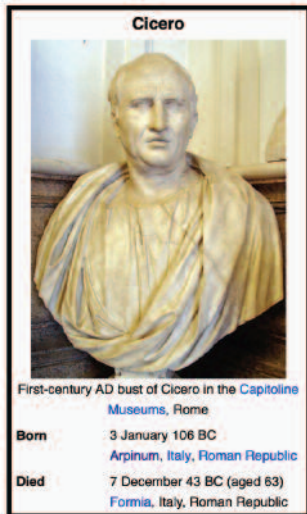

Grazie e arrivederci

Dear Members,

I hope that you, your families and friends are all doing well. It has been a very difficult year for everyone, but we are getting closer to being able to enjoy our families, friends and our Club.

I want to keep you all informed with what the Operations Committee has been working on to minimize the

damage of the lock-down and prepare for when we can re-open. We have had many meetings both at the Club and virtually. We have developed sub-committees to develop marketing strategies, cost-cutting measures and possible new revenue streams.

1. The Committee has worked with the Club Management Team to plan for the re-opening of the Club Bar and facilities including the Ciociaro Patio.
2. Determine how we can host multiple outdoor weddings, taking advantage of the Club's property.
3. Making sure we are properly staffed for the re-opening.
4. We are renovating the bathrooms in the Pavilion as it will be busy with outdoor weddings and events when we re-open.
5. Constantly reviewing government programs to help us through this Pandemic.
6. Our great food is now available on Skip the Dishes.

I am so looking forward to being able to see all of you visit the Club, to once again enjoy our facilities, friends and our great food.

Please stay safe, healthy and strong.

ROCCO MUSCEDERE, Operations Committee

SUPPORT YOUR CLUB

The Ciociaro Club Building committee is working with the management staff of the Club to continue ongoing maintenance of the Clubs facility. In anticipation of the loosening of the COVID restrictions, the committee will be completing some minor projects that have been planned and approved in the past. We

are planning some upgrades for the patio from last year as well as some interior improvements to improve operational efficiency.

I hope to see you all very soon at the Club as the weather improves and we overcome this pandemic. Stay safe.
